# COMMORRITE RAIDERS

These datasheets allow you to fight Apocalypse battles with your Drukhari miniatures. Each datasheet includes the characteristics profiles of the unit it describes, as well as any wargear and special abilities it may have.

KEYWORDS

Throughout these datasheets you will come across the <Kabal>, <Wych Cult> and <Haemonculus Coven> keywords. These are shorthand for a keyword of your choosing, as described below.

<KABAL>, <WYCH CULT> AND <HAEMONCULUS COVEN>

Most Drukhari on the battlefield belong to either a Kabal, Wych Cult or Haemonculus Coven. Some datasheets specify what Kabal, Wych Cult or Haemonculus Coven the unit is drawn from, but where a datasheet does not, it may have either the <Kabal>, <Wych Cult> or <Haemonculus Coven> keyword. When you include such a unit in your army, you must nominate which Kabal, Wych Cult or Haemonculus Coven it is from. You then simply replace the <Kabal>, <Wych Cult> or <Haemonculus Coven> keyword in every instance on that unit's datasheet with the name you chose.

REAPER

 8

A Reaper is a unit that contains 1 model. It is equipped with: Storm Vortex Projector; Scythevanes.

	M	WS	BS	A	W	Ld	Sv
Reaper	14"	4+	3+	1	3	5	7+
